

Superhero Cape

All you need is an old t-shirt & scissors

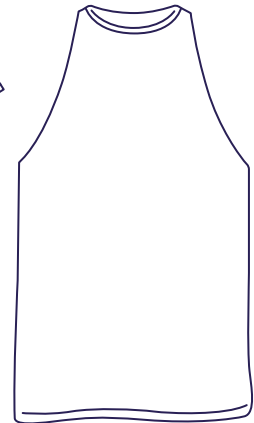

Step 1

Use an old t-shirt (white or any color) that is slightly larger than child.

AFTER

Step 2

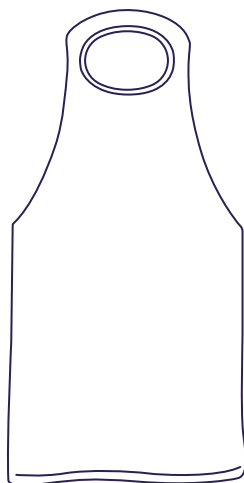

Lay shirt on hard, flat surface. Use scissors to remove sleeves. Next, cut along both sides of the shirt so sides are no longer connected.

Step 3

Open shirt so front & back are laying separately on flat surface. Use scissors to cut along neckline and remove back of shirt.
